SUPERVISORS HOLD REGULAR MEETING

BOARD DEVOTES ALMOST ENTIRE SESSION TO CONSIDERATION OF CO. DEMANDS.

Great Number of Claims Are Rejected and Others Referrred To District Attorney.

The board of supervisors met in regular session Monday, June 14, there being present Jos. M. Francis, presiding, Jas. T. Casey, Wm. H. Brown, John MacBain and C. V. Thompson.

The greater part of the day was given over to the consideration of county claims, quite a few of which for various reasons were rejected.

The claims of the General Auto Service for $2.50 and $5.00 were rejected on motion of Brown, seconded by MacBain.

On motion of Brown, seconded by Casey, the following claims were referred to the district attorney for his approval: General Auto Service, $5.50, $2.50, $7.50 and $2; Dr. W. G. Beattie, expense account, $23.50; J. A. Foster for four deputy constable badges, $8; J. Burke, patroling roads, First township, $65 and $80.

The following claims having been declared illegal by the district attorney, were rejected on motion of MacBain, seconded by Thompson: J. T. Shields, expenses to auditors' convention at San Luis Obispo, $39.10; Peninsula Industrial Commission for two memberships, $50; E. M. Haaker, reporting coroner's inquests, $35.60; Rose M. Holloran, deposition on inquest, $11.50; San Mateo County Abstract Company, transferrs furnished county Assessor, $20.

On motion of MacBain, seconded by Brown, and on roll call, the claim of Reading, McLymont, and Company for $150, for experting books of auditor's office, was ordered paid, Brown, MacBain and Thompson voting yes, and Casey and Francis, no. The chairman refused to counter-sign the claim, the district attorney having given his opinion that it was not a proper charge.

The claim of Henry Pearson for $13.50 for work performed in the Fifth township was rejected on motion of Brown, seconded by MacBain, on account of not having been properly itemized.

On motion of Brown, seconded by Casey, the claim of Recorder H. O. Heiner for $100 for stamps was ordered paid, but Chairman Francis refused to countersign this claim also.

On motion of MacBain, seconded by Casey, the auditor was instructed not to pay two claims of the Peninsula Industrial Commission of $50 each, the claims having already been passed at a previous meeting.

A resolution was adopted on motion of MacBain, seconded by Casey, ordering that the following sums, which had been collected, as a result of a tax levy, be set aside in their respective funds: $28,809; "Pescadero-Santa Cruz Highway Fund;";, $14,404.00; "Holy Cross Cemetery Highway Fund;" $2880.92, "Lobitos Highway Fund;" $16,500, "Jail Site Fund."

On motion of MacBain, seconded by Casey, permission was granted Earl Eikerenkotter and others to use the courthouse steps and to raise the flag on June 28th, the day of the Australian boys' visit.

On motion of MacBain, seconded by Casey, the clerk was instructed to notify Blanchard, Brown and Co. to repair the bridge across the marsh at South San Francisco without any expense to the county.

The following applications for liquor licenses will be acted upon a month hence:

Third township—J. M. Williamson, Woodside.

Second township—C. Schwartz, Beresford (class C).

Attorney C. N. Kirkbride presented and read a notice of hearing in reference to the annexation of certain uninhabited territory to the City of San Mateo. He afterwards presented a resolution fixing Monday, June 21 at 10 o'clock a. m., in the board room of the supervisors at Redwood City as the time and place for considering the matter of said annexation and hearing objections thereto. The resolution was adopted on motion of Brown, seconded by Casey.

The district attorney addressed a communication to the board in reference to official matters which are being referred to his office for legal opinions and requested that hereafter all requests for such legal opinions be made in writing.

A petition signed by Mrs. Julia C. Donaldson and others was received, asking for the improvement of Alejandra avenue and Convent road in the Menlo Park district. On motion of Brown, seconded by Casey, the board agreed to make the necessary improvements, provided the property owners would give deeds of above roads to the county.

The following claims for supplies and for services rendered during Dr. Blackburn's term of office in the Fifth district were rejected on motion of Brown, seconded by Thompson: L. Lorrain, $305.50; John Dudfield, $15.05; Patrick Griffen, $17.50; D. W. Dillon, $15; D. E. Blackburn, $16;

MERITORIOUS EXHIBIT BY GRAMMAR SCHOOL PUPILS

The grammar school held its usual June exhibit in the school auditorium yesterday afternoon and evening. The display of wood was very fine, the furniture of the seventh and eighth grade boys being exceptionally meritorious. The increased skill of the boys under Mr. Gill's instruction and the use of the better class of wood is resulting in articles of furniture that will be an ornament to the homes for which they are made.

Some of the eighth grade articles, notably the Sheraton writing table of satin walnut, made by Johnnie Jacobsen, and the davenport of satin walnut made by Robert Murray, are equal to any eighth grade work

As a whole, the varied displays o work in all classes, from the kindergarten and the graduating class, do credit to teachers and pupils.

The girls in the cooking classes have reached the stage of house keeping where they can make excellent bread as well as tasty deserts.

LOCAL NEWS NOTES.

B. L. Werder and family left last Saturday for an automobile tour of the southern part of the state. They expect to be gone a month.

The pupils of the eighth grade of the grammar school enjoyed themselves Saturday on a picnic at Searsville lake. They were in charge of their teacher, Miss McEvoy.

Ward and Joe Hahir, sons of City Trustee J. J. Hahir, will leave Saturday on the schooner Alice A. for a two weeks' trip to Alaska. They will be the special guests of Captain Hansen.

Bishop Nichols will be at the Episcopal church for Confirmation and Communion at 11 o'clock, and at Belmont on Sunday evening at 7:30. All are cordially invited to both services.

Mrs. E. D. House and Mrs. E. L. Stephens, mother and sister, respectively, of Thos. B. Nichols, arrived from Los Angeles Tuesday for a month's visit, part of which will be spent here and the rest at the exposition in San Francisco.

Mrs. A. S. Kalenborn, with her two children, came up from Fresno Monday to spend a month with her parents, Mr. and Mrs. C. D. Hayward and also to visit the fair. Mr. Kalenborn, who is the chief engineer for the San Joaquin Light and Power Company, will join Mrs. Kalenborn in July.

John S. Thompson, of the Thompson Type Machine Company, with headquarters in Chicago, is visiting his sister, Mrs. W. L. Davis on Stambaugh street. Mr. Thompson learned the printing business in Nevada, under the late W. L. Davis. Mr. Davis was the proprietor of the Redwood City Democrat some fifteen years ago.

Miss Fay Thorpe, daughter of Mrs. Zoe Thorpe of this city, has been appointed teacher of the La Honda school. Miss Thorpe graduated this year from the San Francisco state normal and possesses all the necessary qualifications to make a most successful teacher. She will assume her new duties on July 19th, when the fall term opens.

The Southern Pacific's new time table went into effect Tuesday. Only one change affecting the local service is noted. Train No. 77 leaves the city at 10 o'clock now instead of 9:30. The Shore Line Limited, which was taken off last fall, has been reinstated and leaves San Francisco at 8 a. m. and arrives in San Francisco on the return trip at 9:50 p. m.

Hercules Powder Co., $18.55.

The surveyor was instructed to have the plans and specifications for the Pescadero to the county line road ready by next meeting.

On motion of Brown, seconded by MacBain, the former was authorized to repair certain culverts on Sawyer Camp road.

Adjourned to Monday, June 21, at 10 a. m.

HIGH SCHOOL GIRLS WALK FROM PORTLAND TO FAIR

The three highschool girls who arrived in San Francisco Sunday after their 1000-mile hike from Portland, stopped off at this city Friday evening. They were Misses Faye and June Shea and Kittie Bebertz. They were joined here by Mrs. L. S. Shea, mother of two of the girls, who is making the trip with them, but riding at times on the train. The girls themselves had walked every step of the way, even coming across the Dumbarton cut-off so as to avoid riding on the ferry from Oakland.

They were dressed in men's regulation khaki uniforms and with their high boots, broad brimmed hats and scarlet ties, presented a very striking and picturesque appearance. They were pretty girls and so wholesome and full of life. And how enthusiastic they were over their trip, and what a splendid time they had all the way.

What wonderful experiences they had met and how awfully kind and hospitable everybody had been—everybody excepting the landlady of a certain hotel in Sunol, who wouldn't give them accommodations when they arrived in the town late at night. But the rest of the people of Sunol were kind and they saw that the young ladies and Mrs. Shea, who had joined them, were properly taken care of and given a place to sleep for the night.

The girls left home with just $5 cash. The trip when they arrived in Redwood had cost them exactly $800 and they had earned every cent of this by appearing in a short skit in the moving picture houses along the route. They expect to remain in San Francisco several months attending the fair.

Upon their return to Portland they intend to enter the Oregon Agriculture College and work their way through.

SWIMMING PLACE PLANNED FOR LOCAL BOY SCOUTS

The executive committee of the local council, Boy Scouts of America, met last week and laid plans for the establishment in this city of a suitable bathing place for the boys. The idea is to find the most desirable location on the Redwood creek and then make the necessary improvements, such as the building of spring, and sliding boards, floats, wind-breaks and a small dressing room.

It is hoped that the committee will be able to arrange for the carrying out of the above plans. There is no better or more healthful exercise for the boy than swimming and especially salt water swimming. Many of our boys today are unable to swim and they never will learn unless some opportunity is presented to them in the shape of a proper bathing establishment.

GRAVELED ROAD DAMAGED BY HEAVY AUTO TRAFFIC

An official count was kept on the number of automobiles passing Belmont yesterday in order to estimate the damage done to the stretch of graveled road between Beresford and Redwood, and known as the "missing link" of the state highway. The count showed that exactly 12,331 machines passed within a period of twelve hours.

An inspection by Supervisor Wm. H. Brown after the day's traffic showed that a coat of gravel placed on the road just a week ago had been worked into the gutters by the thousands of automobiles and the damage resulting therefrom amounted to close on to $500.

Sperry Flours Sunday.

The Sperry Flour ball team will oppose Redwood Sunday on the local grounds. The city team is a fast one and a close game is expected. Chase and Fitzpatrick will do the battery work for Redwood.

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

RUNNING A BIG RISK.

Redwood City has long since passed its village days and now, in the matter of modern improvements, justly claims rank with the best of the smaller municipalities of the state. Its public buildings are of a substantial and commodious character, while many miles of its streets are covered with the better class of pavements. Within its business district are to be found a number of handsome and substantcial buildings, which, with the stocks of its merchants, represents investments of vast sums of money.

In one essential particular, however, the city has been seriously negligent, and that this has not resulted in serious loss can be attributed to nothing but extreme good fortune. With the vast sums of money invested in buildings and business enterprises, practically nothing has been provided in the way of protection from fire, an ever present menace to any community.

Whether this dangerous condition is to continue must be decided by the people of the city on the 29th of the present month. If the people are content to trust their property to good fortune, relying upon providence rather than their own efforts, they will continue to be satisfied with an antiquated and inefficient fire equipment. If they prefer that their property shall be given adequate protection, they will signify that desire by an endorsement of the proposal of the city council for the issuance of bonds for the purpose of providing the fire department with modern apparatus.

Certainly the amount which it is proposed to expend for the purpose is a small one considering the urgent need. Nor need the possible slight expense for the maintenance of the apparatus be considered. These machines require comparatively little time for their care and this can easily be arranged for at a trifling cost, possibly at some conviently located garage.

This is a matter which interests every owner of property, be it large or small, and it behooves every voter interested in the future prosperity and safety of the city to give the project his endorsement. Certainly, at this time the city could make no better investment.

Deductions from statistics lead to the conclusion that the boy who remains in school until he is eighteen, or until he has graduated from the high school, earns, on an average, $65,000 up to the time he is sixty-five year old, while the boy who leaves school when only fourteen, or at the grammer school age, earns on the average $26,000, a difference of $39,000. This amount is equivalent to the income on $12,000 at five per cent for the complete period of sixty-five years. Other figures go to prove that the average yearly wage for the high school graduate is $1,000 and that of the grammar school is $500. Again, from investigations in Cleveland, Ohio, it is shown that grade school children constitute the large majority of those getting the least wage; they are the minority of those getting the highest wage; they are the large majority of those receiving no advancement for a period of two years; they do not even appear in a comparison of workers receiving an advancement of four or more dollars for the same length of time; they change most often; they include nearly one half of those who leave office work to take up factory work, etc. On the other hand, the high school training shows the least number of changes, shows the greatest percentage of advancement and highest salaries. Every parent of children in the grade schools ought to consider the importance of sending his child through the high school.

A large number of the clergymen of the diocese were in attendance. On Thursday he was present at the commencement exercises of of St. Patrick's Seminary and was given a dinner. Mr. Hopkins remembers when he was a boy himself and what sport he had in the old swimming hole, but he prefers not o set a precdent that would be afterwards hard to break. He thinks it might be better not to start a swimming pool in the creek than to allow it to start and then be compelled to withdraw the privilege later.

MERCHANTS FAVOR FIRE BOND ISSUE

Board of Trade Endorses Bond Issue for Purchase of New Auto Chemical Wagon

Judging by the almost unanimity of expression of sentiment at the meeting of the the Board of Trade meeting last Tuesday evening, the proposed bond issue for the betterment of the fire department will be carried by an extremely handsome majority at the election one week from next Tuesday. The meeting, which was attended by an unusually large and representative gathering of citizens was presided over by President Stuart Frank.

The urgent need of improvement in the appliance provided for the fire department was called to the attention of the assemblage by A. S. Liguori, who suggested that some public expression of the opinions of the members of the board be given. The suggestion was followed by considerable discussion, which was participated in by representatives of practically every element of the community, and during which the meeting was assured bp President Merrill of the city council that the purchase of the equipment would not result in the creation of any new salaried positions. Following the discussion, a motion that the proposed bond issue be endorsed by the Board of Trade was carried by a practically unanimous vote.

The committee having in charge the arrangements for Redwood City Day at the Exposition reported that it had been found advisable to select a later date than that originally proposed and that while no definite conclusion had been reached, the present design was that the excursion should be held some time during the latter part of next month. It was also suggested as advisable that the project for an excursion by the water route be abandoned in view of extremely low fares offered by rail.

No action was taken looking to an attempt to secure the location in this city of the factory of the Juvenile Vehicle agency. Correspondence so far with the management of the factory indicated that they had no definite offer to make and had failed to indicate either their desire or the amount of business which they expected to do. In order to scure further enlightenment, the matter was referred to George H. Irving for investigation.

The board decided to lend its active support to the efforts of Court Madrone to provide suitable entertainment for the delegates to the Grand Court of Foresters of America, which will hold its annual convention in this city next May. It was suggested that the annual Floral Festival be held during the time of the session and that this be made a feature of the proposed entertainment. This suggestion met with general approval and President Frank was requested to appoint a committee of seven to outline of action, this committee to report at the next meeting of the board.

The mosquito question came in for considerable discussion. Trustees Merrill and Hahir told about the campaign conducted last year against the bothersome insect and both were of the opinion that the most successful way of getting rid of them is by smudging. The secretary was instructed to communicate with those engaged in the anti-mosquito campaign" in other sections, and the matter will be more fully taken up at the next meeting.

Road Work Worries Supervisors

The subdividing of a vast number of tracts of land in the county and laid out in lots and roads, is causing the supervisors no end of annoyance. These tracts become settled and the residents demand that the roads be repaired and kept up by the county. There are so many of these roads that to attempt to repair them would deplete the funds of every road district in the county. Then, too, these thoroughfares are nt county roads. The residents of Alejandara avenue, near Menlo Park, at a meeting of the board of supervisors held on Monday last, petitioned the board to have that avenue declared a public highway. It was found that it is not a public road. The county clerk was instructed on motion of MacBain to have all the property owners on the street execut a deed to it and file same. The supervisor of the district will then take steps towards improving the street. The avenue was accepted under the following resolution passed by the board on September 18th, 1905.

"Resolved, That this resolution is adopted and said map accepted and subject to the express condition that the County of San Mateo does not hereby become responsible or liable for any expense, costs or charge as to any of such avenues, or highways, or any thereof, whether for grading, macadamizing or for any other road purposes, this condition and incurring of any expense, costs or charge being left to the discretion of future Board of Supervisors, or any member thereof, nor shall said Board of Supervisors, or any member thereof, or said County of San Mateo, be liable in damages in any sum or amount arising by or through any defect of any king of said highways or vaenues."

RELIEF CORPS PRESENTS FLAGS TO TWO SCHOOLS

In accordance with an annual custom of Gen. George S. Evans Womens Relief Corps, recognition was paid Thursday afternoon to the interest shown by the pupils of the local grammar school and Notre Dame academy in the Memorial Day exercises. With appropriate exercises the class in each of these institutions showing the largest percentage of participants in the parade was presented with a handsome silk flag.

The grammar school was the first to be visited by the committee. Here the pupils of the eighth grade, to whom the honor fell this year, was assembled on the steps of the building, surrounded by the members of the other classes. The presentation was made by Mrs. Lu A. Harris, Patriotic Instructor of the Corps, who in a short but admirably phrased address exhorted her young auditors to lives of patriotism. On behalf of the children, Miss Johnson extended thanks for the handsome gift.

With the completion of these exercises the committee proceeded to Notre Dame acrdemy, where the pupils, who were in waiting in the assembly hall, welcomed their visitors by the singing of "The Flag of the Free." In words most appropriate, Mrs. Harris made the presentation of the flag, after which "Stand by the Flag" was most beautifully rendered by the school, evidencing the patriotic training of the pupils. This was followed by the flag salute, which closed the exercises.

CUPID PLAYING PRANKS AMONG SCHOOL TEACHERS

Little Dan Cupid is playing havoc with the school department of Redwood City, not only has he invaded the high school but he has also thrown his arrows into the grammar school with much success. Last week, Professor Adams, the new science teacher in the high school went to Texas and married a beautiful southern girl. Next Wednesday John Gill, the manual training teacher in both the high and grammar school, will lead Miss Kerr of Dixon to the altar. The marriage is the happy culmination of a romance begun at the State Normal School San Jose some years ago when both were students there. Mr Gill left yesterday for Dixon. Before his departure the students presented him with a set of silver forks and a set of individual butter knives. Mr. Gill will spend his honey moon at San Diego. Miss Beth Durham, who taught in the years, will be united in marriage grammar school for the past four next Wednesday at Berkeley to Dr. Edward F. Miller, a professor at the State University. There will be no vacancy in the school on account of Miss Durham's marriage, for Miss Beeger, who has been away on a leave of absence, will resume her former duties.

FRANK TANNING COMPANY WINS EXPOSITION MEDAL.

Last week the S. H. Frank Company of this city received a gold medal and an honorable mention from the fair commission for the best exhibit of California leather at the Exposition. That company war awarded first prize. All the tanneries of the state exhibited. The United States Leather Company exhibited the product of 26 tanneries throughout the United States and was given the grand prize. Frazer & Company of Pueblo, Colorado, who exhibited a saddle made of leather manufactured in Redwood City was awarded first prize. This certainly speaks well for the products manufactured in Redwood City and shows what may be done here and the capabilities of this locality. S. H. Frank & Company may certainly be proud of its achievements.

Work of Local Artist.

Otis M. Carrington has executed a very fine painting in water colors of our magnificent redwood trees for the grammar school. The painting has been framed in curly redwood and will be hung permanently in the school auditorium. Mr. Carrington painted this picture in the presence of the upper grade classes as a part of their instruction. There is a fine opportunity for schools of this county to utilize the ability of this talented young artist in picturing the scenes of the county at moderate cost for the schools.

The dancing element of the community is eagerly looking forward to the next grand event of the season. The Harmony club's grand all night ball, 4th of July eve, July 3d. Backstedt's, pride of San Francisco orchestra, will furnish the music.

The complaint alleges that on February 11, 1915, the defendant, in the presence and hearing of several persons used the following language addressed to plaintiff: "You are a thief, a false person, a swindler." Plaintiff claims to be damaged to that amount and asks that that sum be awarded him as balm for his wounded feelings.

He cannot haul his timber out and is damaged to the amount of $10,000. On April 1st of this year Bloom put up the obstruction preventing Widemann from hauling his lumber to the market. Will Extend Rural Routes.

The following communication was received from Congressman Hayes in reference to the rural delivery service of the postoffice department. The letter to Mr. Hayes from the Fourth Postmaster General will be read with interest by the people of Woodside and other communities who are looking towards the extension of the rural delivery system with considerable interest:

"My dear Mr. Hayes: During the past two months, and after consultation with the Postmaster General, I have been steadily engaged in a readjustment of the rural delivery service in several sections of the country where uneconomical conditions prevail.

"No material curtailment of service has resulted anywhere, but, on the contrary, the Department has been able, by effecting changes in some routes where the carriers are to continue the use of horse-drawn vehicles, and by the introduction of automobile equipment on other routes, to extend the benefits of rural mail delivery to nearly one million new patrons without increasing the aggregate expenditure.

"No patrons will be seriously inconvenienced, and the resultant reduction in the cost of operation are such as to make available the necessary funds for extending the service in the immediate vicinity of the readjusted routes, when necessary, and also to establish every rural route petitioned for, and upon which action has been withheld within the Department.

"It is the desire of the Postmaster General that any funds made available through these readjustments shall be expended in the improvement of the rural delivery service, to the end that a larger number of citizens may be served and the collection and delivery of mail on rural routes standardized throughout the country. This contemplates that, as far as is possible, all the people shall be treated alike, and I shall be pleased to receive from you suggestions in regard to any reasonable extensions of the rural service in your congressional district which can probably be satisfied by a revision and readjustment such as I have indicated above.

"Sincerely yours, Jas. I. Blasslee, Fourth Assistant Postmaster General."

HAPPY LA HONDA.

LA HONDA, June 18—Our noble woods have been free to auto and picnic parties generally. It certainly is a poor return for these pleasure seekers to so shamefully leave the splendid grounds so littered with paper, cans, boxes and bottles; and to cut down our saplings for fire wood as well. The grounds Sunday were left in a dirty condition by many of the sojourners. We have been asked to request our visitors to be a little more considerate. To crown all they leave fires burning in dangerous places and don't even leave a quarter on the ground for the sweeper.

Mrs. F. W. Frank and daughter of San Francisco are comfortably situated at Tanglewood Camp. Mr. and Mrs. C. J. Smith of Palo Alto were their guests on Sunday.

Twenty-six pupils of the 8th grade of Redwood City grammar school came up on Monday in a large carryall and had lunch and a merry time under the redwoods. The happy young people were under the charge of Miss Margaret Roche, the popular teacher.
